Age: 2019 / 19 Plate

Colour: Deep Black Pearl

Body: 5 door Hatchback

Checked Sports Seats interior, The Golf GTI 7.5 Performance in manual form is perhaps the greatest GTI ever built for the purist. It is a brilliant blend of precision, power, and pure driving enjoyment. At the heart of the GTI 7.5 Performance is a 2.0-litre turbocharged 4 cylinder engine, producing 245 PS (about 242 horsepower) and 370 Nm of torque. Paired with a six-speed manual gearbox, the car offers a rewarding, connected feel that's hard to replicate in modern automatics. The manual transmission is slick and precise, with a well-weighted clutch + positive gear engagement that make each shift satisfying. Performance is strong, with 0-62 mph in around 6.2 seconds. But it's not just about straight-line speed - what really sets the GTI 7.5 Performance apart is how it handles. The addition of the VAQ limited-slip differential, exclusive to the Performance model, transforms front-end grip and cornering stability. It actively distributes torque between the front wheels, reducing understeer and allowing for much sharper turn-in and power application when exiting corners. It's a rare modern hot hatch that still delivers old-school thrills without compromising modern practicality. This example is collector quality with only two owners from new and a Full VW Service History with recent service at 30,259m in March 2025. It rides on 18inch Alloys which give it better compliance and feel than the 19inch items. The Wheels are Unmarked with Good Tread Tyres All Round. Complete with unused Space Saver Wheel and Tool Kit, 2 Keys, All Books and Documents. The 7.5 is well specified with Adaptive Cruise Control, Apple Car Play, Rear Camera, Adaptive Cornering Lights, Interior Lighting, Climate Control, Heated Seats and the Virtual Cockpit. This is an Immaculate and Highly Original Example with Ultra Low Mileage and no modifications - a sure fire modern classic offering Investment potential, HPI Checked and Clear. Just Arrived - Please call for an early appointment or to reserve...
